☐ glass holder, black matte
☐ glass holder, white gloss

Distributor Signature: _____

On washbasins without an overflow hole we recommend using a grid drain that can't be closed.
Dimensional definition is possible in ½ inch steps.
Diameter of washbasins drain hole: 1 ¾" | Diameter of washbasins faucet hole: 1 ¼"

Important: Please allow for a tolerance of up to 1/4" for bowl placement and overall dimensions.
Send this form with the P.O. to: **order@schmidlinusa.com**
Carefully review inside vanity specifications to ensure that there is proper clearance to accommodate the bowl, drain and optional integrated overflow, if applicable. Please take into consideration the thickness of material under the counter-top when positioning sink bowl, using a deck-mounted faucet or when adding an overflow and drain set.
